## **Iraq- New Trademark Filing Regulation**

Iraqi Trademarks Office has announced a new regulation about the trademarks filing, requesting submitting any trademark along with the Arabic transliteration thereof.

The above new regulation will be applied on the pending TM applications that have not been yet examined and all new TM applications filed on and after 01 January 2023.

For more details , kindly contact us at : [iraq@baianatip.com](mailto:iraq@baianatip.com)

## **Turkey-Increasing on the Government Fees in Turkey**

The government fees have increased, according to the Turkish Patent and Trademark Office. This increase has been in effect for both new and pending applications since the beginning of 2023.

For more details about the fees and changes , kindly contact us at: [turkey@baianatip.com](mailto:turkey@baianatip.com)

## **Kuwait-Launching a New Service on the Website**

Kuwait TMO has launched a new service on their website “<https://trademark.moci.gov.kw/>”, enables conducting an official trademark search for an official cost of KWD 45.00.

For more details or inquiry , kindly contact us at :  
[kuwait@baianatip.com](mailto:kuwait@baianatip.com)

## **KSA – Publication of IP rights Decisions by The Saudi Authority for Intellectual Property (SAIP)**

The General Secretariat of the committees- the administration handling office actions, infringement, and breach accusations- started the publication of decisions pertaining to copyright infringement complaints.

The publication scope shall, in the future, incorporate decisions pertaining to trademark and patent disputes.

For more details ,  
kindly contact us at : [saudi@bainat-legal.com](mailto:saudi@bainat-legal.com)

## **KSA – Saudi Authority for Intellectual Property (SAIP) to launch New Search Database**

SAIP released a new search platform through which users can search for registered IP titles namely trademarks, patents, and industrial designs. The users can currently search, ONLY, for registered trademarks that were registered before SAIP from 1435 H onwards (2013). No official fees are currently applicable on the said service.
